Young 20-29
congruent error rate
Young 20-29
congruent error rt minus correct rt
Young 20-29
incongruent error rt minus correct rt
Young 20-29
target recovery before readout correct minus error
Older 80-89
congruent error rate
Older 80-89
congruent error rt minus correct rt
Older 80-89
incongruent error rt minus correct rt
Older 80-89
target recovery before readout correct minus error
Young 20-29
congruent error rate
Young 20-29
congruent error rt minus correct rt
Young 20-29
incongruent error rt minus correct rt
Young 20-29
target recovery before readout correct minus error
Older 80-89
congruent error rate
Older 80-89
congruent error rt minus correct rt
Older 80-89
incongruent error rt minus correct rt
Older 80-89
target recovery before readout correct minus error
